A WORD TO THE TRADE

We do not sell cheap groceries, but we do sell groceries cheap. In other words, while our prices are away down, our goods are away up in quality. That is the reason why our trade increases every month we are in business. We couldn't hold our trade on inferior goods, and we wouldn't sell them to you All we ask is for you to come to our store, get our prices, look at the goods, and investigate thoroughly every order, comparing prices with any you can get. We ask your trade on this basis. Come and see us, and it will not be our fault if you are not entirely satisfied.

GALE FANS THE FLAMES. LIFE OF THE PRESIDENT.

Area of One Hundred Acres Swept Clean Within Two Hours, and the Loss Placed at Two Hundred Thousand Dollars In Gold.

Manila, April 20.-Fire destroyed 1,100 houses and parts of the districts of Singalong, Paco and Bambang at Manila Saturday afternoon. American settlements at Ermita and Malate escaped through the hard work of the firemen, assisted by soldiers and citizens. The flames, fanned by a heavy gale, swept an area of 100 acres clean within two hours and destroyed the homes of 100 foreign residents and 1,000 natives. The native refugees are now sheltered in schools and other buildings, while many are camping in open spaces. The damage is conservatively estimated at \$200,000 in gold. No casualties are reported.

Officials of the health department did not agree with the estimate of damage given above, which was made by the police and firemen. They assert 269 houses were destroyed and 1,500 natives rendered homeless.

FIVE CHANGES.

Franchise Tax Act Was Passed to Engrossment.

Austin, April 20 .- The house Friday passed the franchise tax bill to engrossment and adjourned until Monday. The revenue and taxation committee came in with five changes.

A committee amendment proposing to make, the franchise tax on domestic corporations 50 cents for each \$1,000 up to \$10,000 and 25 cents for each \$1,000 over \$10,000 was adopted by a close vote.

An amendment basing the reckoning of a franchise tax on the authorized capital stock, the surplus and undivided profits, where the addition of the two latter items would make a larger sum than the authorized or outstanding capital, was adopted.

Remaining committee amendments, which were merely corrective, were adopted.

It started out with a drummer hammering the dead march on the bottom of an empty lard can.
One after another the hacks joined

the procession until fifteen were in line. Slowly they paraded the principal streets. A considerable crowd of the curious watched the show, and many followed it. But everybody appeared to be able to walk
